## **ST. PIUS X CATHOLIC SCHOOL**

### **PHILOSOPHY**

This Catholic School is a Christ-centered community rooted in the traditions of the Catholic faith. A strong Catholic identity invites all to call, to teach, and to challenge the community to experience Christ through life-long relationships, instruction, service and prayer.

St. Pius X School offers a comprehensive, integrated curriculum and strives for the formation of the whole person. Empowered by a strong educational partnership between the school and parish community, St. Pius X School motivates and nurtures the learner.

This learning environment is built on Gospel values and the charism of the Sisters, Servants of the Immaculate Heart of Mary. The dedicated lay and religious staff prepares the community for the challenges of a constantly changing society and a Church called to grow in wisdom and grace.

The teachers of St. Pius X School recognize the role of the parents as the primary educators and share with them the responsibility for growth and development of the child. Together, we strive to maintain on-going communication and mutual support in order to create a setting which will foster academic and personal development of the child.

## **ATTENDANCE**

### **General Attendance**

Regular attendance and punctuality are essential to a student's success, progress and the formation of good habits. Regular attendance is also the primary duty of the parents/guardians. Sporadic and long-term absences can seriously affect the academic performance of a student.

Students should not stay home to complete school work nor should they be absent for trips or appointments which could be scheduled outside of school time. Students, who are excessively absent/tardy, will be monitored by the Administration which may result in a parent/student conference with the Principal. Students with excessive absences/tardies lose valuable learning time as well as interrupt the progress of the classroom. Excessive absences may result in the repeating of the academic year.

School work will not be given before an absence. All missed work and tests must be completed according to the following guidelines:

- For a one (1) day absence, the student should take the test/quiz on the first full day back and has one (1) complete day to make up homework and class work..
- In the case of serious illness, the number of days absent will dictate the number of days allowed for makeup work. Example: Absent 3 days - the student would have 3 days to make

up the work and/or prepare for the test/quiz which will be taken on the 4<sup>th</sup> day back.

All test dates and homework assignments can be found in the Parent/Student area of the **RenWeb** program on the St. Pius X School website.

### Absence

When a student is absent, please observe the following procedures.

1. The parent/guardian should call the school office at 757-588-6171 prior to 8:00 a.m. on the day the student is absent. Leave a message with the name of the child, room number and reason for absence with the office staff or on the answering machine.

### AND

2. On the day of return the student must bring a NOTE signed by the parent, or an email may be sent from the parent/guardian account, which clearly states the dates of absence, REASON of absence and the student's name and room number. Absentee notes are to be given to the homeroom teacher or emailed to the office at *school@piusxparish.org*. The notes are required by law and will be kept on file for one year. **Three or more days of absence require a physician's written note for admission back into school. In cases of communicable diseases a physician's note is also required.**
3. For reporting purposes, an absence of 3½ hours (3 hours on Wednesdays) or more is considered a half-day absence.

### Lateness

A student who arrives late (after 8:00 a.m.) must report to the office for a late slip. He/she must also sign-in accompanied by a parent. A student's permanent transcript carries the total number of late arrivals per year.

A student will also be marked late if he/she is not in the classroom by the 8:02 a.m. even if he/she was dropped off prior to 8:00 a.m.

### Request of Parents Regarding Absences and Lateness

Parents are requested NOT to write excuses for students who wish to stay home and/or arrive late to avoid taking tests, extend deadlines on notebooks, themes or term papers or to provide extra study time for tests. **Students who are late may be asked for work by the teacher of the classes they missed.**

### Homework Requests

Parents who wish to request homework for a student who is absent should do so when calling in the absence in the morning. Homework can be picked up from the office after 2:45 p.m. (or 2:15 p.m. on Wednesday). Also check **RenWeb** directly for homework.

## **LEAVING SCHOOL EARLY**

We encourage parents/guardians to schedule all appointments outside of the school day. However, if this is not possible, a note written by a parent/guardian should be sent to the teacher via the student the day prior to the early dismissal. This note should include the student's name, room number, the reason for the request, the date, time of pickup, and (if applicable) the expected time of return. An email with the above information may also be sent from the parent/guardian account to the office *school@piusxparish.org*.

- Parents are to come to the office to pick up the student and must sign the student out prior to leaving the premises.
- Students will not be called to the officer until the parent/guardian has arrived.
- No one may go directly to the classroom to pick up a student.

## **DISCIPLINE POLICIES**

The essence of Christian discipline is self-discipline. St. Pius X students are expected to exercise self-control and conduct themselves properly at all times with courtesy, decency, respect for lawful authority, appropriate and respectful language, honesty, and wholesome relationships with peers. This is expected at all school activities on and off the school premises.

The St. Pius X School discipline policy attempts to set clear limits on what constitutes acceptable and unacceptable behavior. Violations are divided into rule violations and law violations which are in conjunction with our local public school system's codes. A student who violates any of the codes is subject to disciplinary action which may include detention, suspension or expulsion as defined below. Law violations may also result in court action. The principal is the final recourse in all disciplinary infractions and may waive any disciplinary rule for just cause at his/her discretion.

The rule does not apply to normal school supplies such as pencils or compasses unless they are used as weapons.

ANY STUDENT COMMITTING A LAW VIOLATION MAY BE EXPELLED IN ACCORDANCE WITH DIOCESAN POLICY.

## **DISCIPLINARY PROCESS**

The essential element that characterizes the discipline at St. Pius X School is to create in the student a conduct that exemplifies respect for each person and will be conducive to learning and growth for all by enriching the life of the student spiritually, mentally, morally and physically thus developing a responsible, caring person.

At the beginning of the school year, classroom rules and school policies will be discussed with the students. Appropriate behavior will be expected from all students and the consequences of choices he/she makes will be dealt with fairly and in accordance to policy by the faculty, staff and/or administration involved.

Our young people depend on the adults in their lives to model Christian values and conduct. Knowing their limits and school rules will help them make good choices. Classroom rules are posted inside each room along with the consequences for not following them. Rule violations are usually handled by the individual teacher who can, in most cases, explain to the student what he/she did wrong. Parental notification (phone call, email, letter) will be required if the behavior persists.

If a violation is continuous and/or of a more serious nature, the administration will handle the situation in the following manner:

### *1st offense:*

- An administrative conference with student and/or phone call to student's parent/guardian. The phone call serves as the first warning in the disciplinary process.
- Documentation of conference and phone call will be placed in the student's classroom file.

### *2nd offense:*

- An automatic suspension of student and conference with administrator, parent/guardian, teacher and student.
- Documentation of the suspension and conference signed by all of the above and placed in the student's classroom file.

*3rd offense:*

- An automatic suspension and the student is placed on disciplinary probation for the remainder of the year.
- A conference with administrator, parent/guardian, teacher and student will occur where a verbal and written warning will be issued. The warning will state that any subsequent violations may/will result in expulsion from St. Pius X School.
- Documentation of suspension, conference and warning will be signed by all of the above and placed in the student's permanent file.
- The same documentation will also be sent to the Office of Catholic Schools in Richmond, Virginia.

### **DETENTION**

Any faculty member may assign students to detention for misconduct. Parents will be given 24-hours notice so that transportation arrangements may be made. Notification may be made by email or by phone so that a confirmation is received.

Detentions are to start at 3:20 p.m. and end no later than 4:20 p.m. (one hour maximum time). The teacher giving the detention must supervise the detention.

### **SUSPENSION**

The school views suspension as a way of alerting parents to significant problems in discipline as well as providing strong reinforcement so that the student may improve in attitude and behavior. Two types of suspension may be issued.

*In-school Suspension* - student will report to the office instead of attending regular classes.

*Out of school Suspension* - student is removed from school for the duration of the suspension. During this period the student is forbidden to be on the grounds, enter the buildings, or attend any extra-curricular activities of St. Pius X School. Out of school suspension may also result in the student being forbidden to attend or participate in St. Pius X Church activities like TCBL basketball and youth ministry social events.

### **EXPULSION**

Expulsion is the permanent removal of a student from the St. Pius X School Community. Only the Pastor and/or the school administration have the right to dismiss a student after a thorough investigation.

- Major infractions of school and law violations or any other activity deemed a major infraction by the administration will immediately render a student subject to expulsion.
- This includes, but is not limited to, any violation of the criminal code or an incident involving the police.

Tuition and fees must be paid in full (in order for any records to be released) and **will not** be refunded if a student is expelled.

## **BULLYING**

At St. Pius X, we call all of our students to be peacemakers. Every person has the right to be treated with respect and dignity. No student has the right to treat another student in any way that will cause physical or emotional pain.

**Bullying** may involve but is not limited to: threats (written or verbal), teasing, name-calling, slurs, rumors, jokes, false accusations, intimidation, stalking, innuendos, demeaning comments, pranks, writing/drawing unkind notes or pictures, social isolation, gestures, cyber-bullying or other verbal or written conduct.

**Cyber-bullying** includes the following misuses of digital technology: written threats, teasing, intimidating or making false accusations about another student, teacher, staff member, or school/parish administration by way of any technological tool, such as sending or posting inappropriate emails, instant messages, text messages, digital images or website postings (including blogs and social networking sites).

This policy prohibits bullying in any form or by any media that occurs either:

1. On school premises, before, during or after school hours
2. On any bus or vehicle as part of any school activity
3. During any school function, extracurricular activity or other school sponsored event or activity
4. Any outside school events involving students of St. Pius X School

**Reporting Complaints:** Each student and parent has a duty to report any **legitimate incident** of bullying/cyber bullying to the school. **The school personnel cannot act on hearsay or rumors** however, if a student experiences (or a parent/guardian witnesses or learns of) any incident involving the above, it should be reported to the school principal. Parents are encouraged to share with the Administration any in-appropriate emails, “tweets” or any other social media posting. Parents/Guardians should regularly check their child’s account and make sure that what they are posting is appropriate as well.

Disciplinary measures will be taken for violations of this policy. This may include suspension or dismissal from school depending on the circumstance and age of the child. Parents must realize that everything is not always what it seems and that there may be extenuating circumstances or information that you do not have. The school administration will investigate all actions, examine all sides and handle as deemed appropriate. At no time will we discuss consequences of another student due to privacy concerns. Threats of physical harm may be reported to the local authorities.

## **CUSTODY**

St. Pius X School abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school must provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. The non-custodial parent must provide a current address in order to obtain information.

If there is a court order specifying that there is to be no information given, **it is the responsibility of the custodial parent to provide the school with an official copy of the court order dealing with the education/visitation of the child. It is also the parent's responsibility to inform the school of the addresses where the student's records should be sent.**

**Divorced/separated parents/guardians must provide the school with a court certified copy of the custody section of the divorce decree. If no such copy is on file, school officials will assume that both parents have custodial rights.**

### **ITEMS BROUGHT TO SCHOOL**

All items requested by the Faculty, Staff, Home & School Association or any other approved organization for "show and tell", projects, fundraisers or charitable collections are to be appropriate.

Students may bring footballs, basketballs and rubber playground balls for use during recess with the understanding that the school is not responsible for loss, theft or damage.

### **LOST AND FOUND**

All clothing, school bags, lunches, etc., should be marked clearly with your child's name and grade. All articles found should be placed in the lost and found area located in the Parish Hall.

### **OFFICE TELEPHONE POLICY**

Students are discouraged to call home for forgotten homework, projects, lunches, etc. However, we understand that at times children forget things. Students will be allowed to call for an occasional item. If forgotten items are brought to school, please leave them at the school office and the student will receive them in a timely manner.

## **ACADEMIC PROCEDURES**

St. Pius X School offers a comprehensive religious education program and high school preparatory curriculum. All students at St. Pius X must take Religion courses. **ACADEMIC POLICIES**

**Homework**

Homework is an essential part of the total educational process of the student. Homework will be assigned daily at the discretion of the individual teacher(s) in grades 1 through 8. The purpose of homework is to reinforce learning and develop study skills so that the student may become an independent learner. Homework includes written, study and reading assignments. Students are encouraged to write all assignments in their planners. **All of the correct assignments for nightly homework will be located in the RenWeb ParentsWeb parent portal.**

The parent's role is primarily that of providing a suitable place for study and helping your child decide the best time for study. Parents should supervise homework but not actually do the work. If you are noticing frustration due to difficulty in a homework assignment, please write a note to the teacher about your observation. Having children sit for long periods of unproductive time accomplishes nothing and by writing a note, a teacher may look for solutions to specific problems regarding homework. If a student fails on a continual basis to complete homework assignments, the teacher(s) will determine the consequences of this action.

The following time allotments serve as guidelines for each evening. The times include total written, study and reading assignments. It should be understood that the time allotment will vary depending upon such factors as attention span, proper working habits, and study conditions. Middle school students taking courses for High School credit should expect increased workload and increase expectations. In order to receive the high school credit, high school rigor must exist in these course.

#### Average Time Allotments

Grades 1 & 2	10 to 20 minutes
Grades 3, 4 & 5	30 to 50 minutes
Grades 6, 7, & 8	60 - 90 minutes or more

Tests, homework, and long-term assignments are the personal responsibility of the student. They should be completed with the honor that is always expected of a St. Pius X student. Parents will be required to sign and return tests and quizzes sent home by teachers in Grades K – 5. Middle School teacher will not be requiring signatures. All quiz and test scores can be found on RenWeb.

If a student says he/she has no homework, please check the **RenWeb ParentsWeb** for verification of assignments.

#### Progress Reports

Progress Reports, inside a signature envelope, will be issued to all students in grades PreK through 8 four times per year. The envelope must be signed by a parent/guardian and returned to the homeroom teacher by the designated date. Parent-Teacher conferences are scheduled for the first and second report cards from 9:00 a.m. –7:00 p.m. Conferences are by request and appointment for the progress reports. Dates and times will be posted on the school calendar, in the communiqué and on the St. Pius X School Website.

#### Report Cards

Diocesan standardized report cards are issued to students in grades K-8 four times per year. A signature envelope must be signed by a parent/guardian and returned to the homeroom teacher by the designated dates. Parent-Teacher conferences will be scheduled for the first and second report cards. Conferences are by request and appointment for the progress report cards. Dates and times will be posted on the school calendar, in the communiqué and on the school website.

**Individual subject grades and averages can be viewed at any time on the RenWebParentWeb program.**

## Grading

Progress reports and report card averages are obtained by combining scores from written/oral tests and quizzes, classroom and home assignments, projects, in-class oral participation, exams (gr. 6-8), and other activities assigned by classroom/resource teachers. Neatness, completion and promptness of assignments are also taken into consideration in all grading aspects. Detailed explanations will be given by individual teachers at the beginning of the year.

The grading scale equivalents are as follows:

100-97 A+	89-87 B+	79-77 C+	69-67 D+	59 and below F
96-93 A	86-83 B	76-73 C	66-63 D

## Failures/Multiple Failures

The faculty and administration want to see each student reach his/her potential and are willing to assist so that the student can meet with success. Students who have multiple failures in any trimester will have a meeting with the teacher(s), parents, and Principal so that a remediation plan can be put into action. This plan will be documented and followed so that the student has an opportunity to succeed in the area(s) he/she is found to be weak. Any student who falls into this category will be placed on academic probation for the following trimester. Two successive trimesters of multiple failures in major subjects may be cause for dismissal from St. Pius X School.

## Honors Convocation

In recognition of academic achievement, St. Pius X School hosts an annual Honors Convocation for parents and honored students. Honorees will be the top three academic students from grades 4 through 7 along with those having achieved Principal's List, First, and/or Second Honors over four consecutive quarters. A Service Hours award will be given to those students in grade 6 & grade 7 with the highest number of service hours.

## Academic Failures

In order to be successful at the next grade level, students must master the material at their current grade level. Summer remediation is required for any student in grades 3 through 7 who has one or more failing final average(s) on his/her report card. Failure constitutes a "cumulative" grade in a particular subject area of less than 60 or a letter grade of F.

Remediation may take the form of summer school or tutoring. The teacher for the failed subject will outline the weaknesses of the student and document what must be mastered before promotion to the next grade level. The parent and student are responsible for documenting the remediation sessions. A test will be given the week before the opening of school to verify the mastering of the subject area(s).

Students in grades 3 through 7 will not be admitted to the next grade level with a failing grade in an academic area unless remediation is provided.

## Retention

Careful assessment of a student's performance and ability must be considered before retention is recommended. All support services will be put into place in order to prevent retention. Parents will be notified at the beginning of the third quarter if retention is a possibility.

A child will be retained in a grade if:

- (1) he/she has an overall failing general average as noted in the last column of the report card, *or*
- (2) he/she has one or more failure(s) in a major subject and does not receive remediation.

A student who fails 8<sup>th</sup> grade **may not** repeat the grade at St. Pius X School.

## **CARE OF BOOKS/FURNITURE AND PERSONAL EFFECTS**

It is each student's responsibility to have all books covered. Hard-bound textbooks should be covered with a stretchable book cover (book sock). The hard-bound books are rented for the year and any book which is lost or destroyed must be replaced at the current catalog price.

Consumable books (lab manuals, workbooks, etc.) must be cared for and be in school for the duration of their use. All books must be covered and taken home in school bags. Clear contact paper may be used to cover student workbooks only. No contact paper is to be put on hard-bound text books.

Classroom desks and chairs are part of school property. They should be treated as a student's personal property. In the event of writing on, carving in, or any other defacing of desks or chairs the offending student will be held responsible for replacement at the current catalog price.

## **TECHNOLOGY**

Computer equipment (*except* Bring Your Own Device) is part of school property. Students who abuse or misuse the equipment are subject to disciplinary action determined by the computer teacher and administration. A Technology contract must be signed by the student and parent(s)/guardian(s) prior to student's use of school technology equipment.

At no time may a student use the name St. Pius X Church or St. Pius X School on any website or social networking site.

Food, drink, gum, etc. is not allowed in the technology lab or when using the mobile labs.

## **COMPUTER USE / INTERNET USE**

Available to St. Pius X School students and teachers is access to computer and Internet resources. It is only through the continued efforts of the St. Pius X community that this access is possible. The use of computer technology and Internet access is an integral part of the education at St. Pius X School. Our mission includes promoting educational excellence by facilitating resource sharing, student innovation, communication, and STEM integration.

Internet access is coordinated through a complex association of government agencies as well as regional and state networks. Along with access to computers and people all over the world comes the availability of materials considered to be objectionable and contain no educational value. The faculty, staff and administration at St. Pius X School take every precaution to restrict access to controversial information. However, on a global network it is impossible to control all materials so an industrious user may discover or create controversial material. We firmly believe the valuable information and interaction available on this network far outweighs the possibility that users may procure material that is not consistent with the educational goals of St. Pius X School.

Before accessing the network or the Internet, students will be instructed on the aspects of security and ethics involved in using the network. This instruction is given by the technology instructor and reviewed by the classroom teachers.

A Diocesan computer/internet use contract will be sent home in the first communique to all students. This contract is to be signed and returned immediately. Access to all computers at St. Pius X School is prohibited until the contract is returned.

### **BRING YOUR OWN DEVICE**

St. Pius X School will allow 4<sup>th</sup> – 8<sup>th</sup> grade students to use privately owned electronic devices, **except phones, ipods and/or devices that have phone capability**, to access the SPX wireless network. The wireless access provided to the devices is designated to the enhancement of the students' educational experiences and outcomes.

Connecting to the SPX wireless network is a *privilege; not a right*. Permission to bring a personal device is contingent upon adherence to the Diocese of Richmond Technology agreement and the policies set forth by St. Pius X School. If a personal device is used by a student to disrupt the educational environment or the student breaks the Diocesan contract and/or St. Pius X technology policy, that student's privileges of using the personal device/school device will be limited or revoked.

### **SPX Guidelines:**

1. Students may use a privately owned electronic "Internet ready" device on the SPX wireless network with teacher permission. Devices will not be allowed outside for recess or inside the Parish Hall. Privately owned electronic devices may **ONLY** be used to access the SPX wireless network in the C.A.R.E.S. program when approved by authorized school personnel.
2. The use of a privately owned electronic device is to support and enhance instructional activity.
3. Students are not permitted to access the Internet using any external Internet service but those approved for use on the SPX wireless network.

4. No privately owned electronic device may be connected to the SPX wireless network by a network cable plugged into a data outlet. Network access is provided by wireless connection only.
5. No student shall establish a wireless ad-hoc or peer-to-peer connection using his/her electronic device or any other wireless device while on school premises. This includes, but is not limited to, using a privately owned electronic device as a cabled or wireless hotspot.
6. Voice, video and image capture applications may only be used with teacher permission.
7. Sound is to be muted unless otherwise specified by the teacher for the purpose of instructional activities.
8. The privately owned electronic device owner is the only person allowed to use the device.
9. No Diocesan/SPX School owned academic or productivity software can be installed on personal devices.
10. No student shall use any computer or device to illegally collect any electronic data or disrupt networking services.
11. Devices are brought to St. Pius X School at the students' and parents' own risk. In the event that a privately owned device is lost, stolen or damaged St. Pius X School is not responsible for any financial or data loss.
12. Violation of the Diocese of Richmond Technology policies, St. Pius X School policies or regulations, local, state and federal laws while using a personal electronic device on the SPX wireless network will result in appropriate disciplinary and/or legal action as specified in the Diocese of Richmond Technology agreement, *SPX Parent/Student Handbook* as well as local, state and federal law.
13. St. Pius X School personnel cannot attempt to repair, correct, troubleshoot, or be responsible for malfunctioning personal hardware and/or software.
14. St. Pius X School reserves the right to examine the privately owned personal device and search its contents if there is a reason to believe that Diocese of Richmond policies, St. Pius X School policies or local, state and/or federal laws have been broken.
15. Privately owned electronic devices may not be used during the instructional day to: access stored data unless it is from the students' own network saved file, access private Internet connections or other forms of electronic communications; or communicate with persons not authorized by the school during the instructional day.
16. St. Pius X School administration and faculty reserve the right to take a privately owned electronic device that is being used or suspected of being used in violation of these Guidelines, the Diocese of Richmond Technology agreement, the *St. Pius X School Parent/Student Handbook* policies, and/or any local, state and/or federal law or regulation. St. Pius X School administration may search privately owned electronic devices when reasonable and articulable suspicion exists that the device was used in violation of the above mentioned. St. Pius X School administration will contact appropriate law enforcement

agencies and provide information concerning the use of the device for suspected violation of law or regulations.

**St. Pius X Middle School students have the option of bringing their own device. This is not a requirement. St. Pius X School technology department will provide laptop computers for use to those students who do not bring their own device.**

### **CLINIC/HEALTH INFORMATION**

#### **ILLNESS OR INJURY DURING SCHOOL HOURS:**

If your child has a specific medical problem it should be brought to the attention of the school nurse, teacher and the office by sending a note to each of them. A student who is ill will be permitted to report to the clinic after obtaining the teacher's permission to leave class. If the nurse is not in the clinic at the time of the illness the student should report to the office.

It is *ABSOLUTELY ESSENTIAL* that each student has up to date emergency contact information on RenWeb that includes work and cellphone numbers. This information will be used by the school nurse to contact parents/guardians when a child is in the clinic.

#### **HEALTH CONCERNS:**

Children should not be sent to school when they have symptoms of illness: temperature elevation, vomiting, diarrhea, a questionable injury occurring at home or when they have not fully recovered from an illness. A normal temperature reading for 24 hours without medication following illness is a good indicator.

It is the responsibility of the parent to notify the teacher and nurse in the event of long-term or short-term health circumstances that could adversely affect a child's performance in school as a safety and health precaution. All such information will be kept confidential.

Parents must notify the teachers/nurse if there is temporary or chronic need for children to be excused to go to the lavatory other than normal or regularly scheduled breaks.

CHILD NEGLECT OR ABUSE:

All Administrators, Faculty and Staff are required by law to report suspicions of child abuse and/or neglect to Child Protective Services.

MEDICATION:

- All medication (including over-the-counter) must be brought to the clinic by a parent or guardian in a labeled container.
- Children may not be in possession of or take any medication on their own.

St. Pius X School can be responsible for the administration of medication when the following regulations are met:

- A signature of parent or legal guardian requesting that the school comply with the physician's order.
- The medication is to be brought to the school by the parent or legal guardian in a container which is appropriately labeled by the pharmacy or the physician.
- If a parent or legal guardian is unable to deliver the medication to the school it is requested that permission in writing be sent to the school office to confirm that it is being delivered by the student with the completed form.

Please do not ask us to dispense medication unless it is absolutely necessary.

MEASLES, MUMPS AND RUBELLA:

Please note students' health records will be reviewed prior to enrollment for an inoculation within the past year of a Measles, Mumps and Rubella (MMR) booster. ### HIV / HEPATITIS B POLICY

St. Pius X School, following the policy of the Diocese of Richmond, Virginia, does not discriminate with regard to students infected with HIV/AIDS. These students would be placed in classroom situations according to procedures operative for all students and are entitled to the same rights, privileges and services. The individual's right to confidentiality will be maintained by those privileged to this information due to the role each plays in ensuring a quality school environment for the student.

All school personnel and volunteers are required to use universal precautions.

Decisions concerning admissions and changes, if any, in the educational program of the student infected with HIV / AIDS will be made on a case-by-case review by the principal in consultation with the Superintendent of Schools, and if necessary, other persons designated by the principal (i.e., school nurse, student's physician).

Parents, please instruct your child to wash his/her hands frequently, especially after using the bathroom and before eating.

All cuts should be covered with a band-aid. Any student whose clothing has been exposed to bodily secretions must change his/her clothes immediately; (i.e., blood, urine, vomit). This will necessitate a call to the parent unless a change of clothing is available at school. This is a federally mandated guideline as a precaution against Hepatitis B and HIV. We have the legal responsibility to notify the parent and have the student removed from school if a change of clothing is not available.

The above policy is also applicable to Hepatitis B. Beginning on July 1, 2001, all children will be required to have the three doses of the Hepatitis B vaccine prior to the first day of school.

Each student must have a signed parental consent on the permission form in order to participate in a field trip.

Students who fail to submit a proper form will NOT be allowed to participate in a field trip. Telephone calls will not be accepted in lieu of proper forms. Students' dress on field trips must be appropriate to the nature of the trip. The administration/faculty has the final say as to the acceptability of dress.

This may impact their recess time.

Volunteers are always appreciated at all lunch times. Any parent/guardian with the time to assist in these programs is encouraged and welcome.

- Each child is responsible to clean his/her own space (table, floor, and chair) and throw all trash in the waste containers.

Two faculty members, as well as parent volunteers, will be on the playground during all recess times. Students are to report any inappropriate behavior to a supervising adult. No student is allowed to go into the building during lunch time unless it is a case of an emergency and is approved by an adult.

A Student Council candidate must be willing to uphold and live by the philosophy of St. Pius X School. It is also required that all meetings be attended. All officers and representatives must maintain a C- (70) or above in all report card subjects and have a satisfactory or above rating in conduct and effort for each academic quarter of the year.

The oldest child in each family will receive a communication envelope every Wednesday. Parents are asked to view the online information, print all necessary remittable forms, enclose forms and required payments, sign the envelope on the appropriate line to indicate the information has been received, read, and understood. The envelope is to be returned on Thursday or Friday morning to the homeroom teacher.

The “Pirate’s Press” will be sent home the first and third Wednesday of each month. This is the major information as well as school news packet. Only necessary flyers, sign-ups, etc. will be sent home on the 2<sup>nd</sup>, 4<sup>th</sup> and any 5<sup>th</sup> Wednesdays.

In our effort to “go green,” all weekly communication information will be posted on RenWeb. Inform the school office if a “hard” copy of the weekly information is required. The final hard copy sent to all families will be the last week in September.

## **CONFERENCES**

Parents wishing to speak with the administration should either send a note with the student or call the office and leave a message. If a discussion of a student’s academic/behavioral performance is needed, parents are to conference with the teacher prior to requesting administrative involvement. A conference will be scheduled with the administration for parents of any student with multiple failures in a grading period.
