Dear Families,

Summer Camp will begin June 7, 2018. We will open at 6:00 a.m. and close at 6:00 p.m. Because camp will be in the school building this summer, children can be dropped off at the side entrance for the Parish Hall from 6:00 a.m. to 8:30 a.m. At 8:30 a.m., students will be brought to classrooms. Children dropped off after 8:30 a.m. should be dropped off along the breezeway entrance for Hallway C. Please use the Doorbell / Buzzer on the door to alert staff of your arrival. Afternoon Pickup will be along the breezeway entrance for Hallway C. Please call Summer Camp staff at 757-588-6171 or at 757-270-9016 to let them know of your arrival in advance so we can have your child / children prepared for pickup.

During Summer Camp, the staff will schedule various activities such as roller skating outside, gym time, arts and crafts, movie time, water play, etc. In addition, we plan on including technology time in the school computer lab and reading time in the library. On Thursdays, we will have a barbecue with hamburgers and hot dogs. On Fridays, we will have an ice cream party.

Please send in a bottle of store bought sunscreen to Summer Camp labeled with your child's name. Sunscreen will be applied before going outside on hot, sunny days as well as on Wednesday Field Trip days. Each child will receive a Summer Camp T-shirt that should be worn on our field trip days. Permission slips will be out the week prior to any field trip. If any parent would like to go on some of the field trips, please let me know.

We will supply an afternoon snack and drink. You will need to supply morning snack, lunch and additional drinks. Water coolers will be available throughout the day. The children may bring things from home like age appropriate movies and personal video game devices with only 2-3 games at a time. Please make sure a name is on all of their belongings. St. Pius is not responsible for any loss or breakage of the children's property. Only PSP and DS game systems rated E are acceptable unless approved by the Summer Camp Staff. Gaming systems and personal electronics may be used at specific times on a limited basis. Older students may have their cell phones at Summer Camp but will be monitored in terms of their use. Students will not be allowed to be on their cell phones for long periods of time during the day. We want all students to participate in activities. Students with cell phones will not be allowed to go to questionable sites.

We have a wonderful well-trained staff for Summer Camp and we are looking forward to caring for your child / children this summer. If at any time you have any questions or a problem, please feel free to contact me 757-588-6171 or 757-270-9016.
