May 10, 2017

Dear 6th, 7th, and 8th Grade Parents/Guardians and Students:

Final exams are rapidly approaching. The schedule for the exams is as follows:

Monday, May 22nd – Earth Science Exams

Wednesday, May 24th – Spanish Exams

Friday, May 26th – Math Exams

**Tuesday, May 30th – Language Arts Exams
Religion Exams**

Wednesday, May 31st – Social Studies Exams

8th grade high school exams are worth 19% of the student's final grade. Students **MUST** pass the exam in order to receive high school credit. For non-high school credit exams, 6th and 7th grade exams, each is worth two major test grades, which average into the third semester. This could significantly raise or lower an average. The exams should be taken very seriously.

Please note the following policies:

1. If a student is late to or absent from an exam period, the exam will be made up after school on the following day.
2. Any inappropriate behavior during the exam, such as talking, passing notes, making noises, etc. are distractions to other students trying to do their best. The following consequences will occur:
 - A)** A drop of one entire letter grade for each disruption will be reflected on the exam (6th grade only)
 - B)** Students will receive a zero for that exam score. (7th grade only)
3. No long sleeves are permitted in the exam rooms during exam periods.

Please make every effort to have your student here on time.

Thank you,

The Middle School Teachers
