

January 27, 2021

Dear St. Pius X Families,

Since 1956, our school has served our students, families, parish, and community proudly. As you can imagine, the school has gone through many changes and challenges since our founding. Like schools around the world, the COVID-19 pandemic has impacted our enrollment numbers, instruction, fundraising and how we celebrate our community. St. Pius X Catholic School continues to meet those challenges and stay true to our mission.

The Diocese has asked all schools to present a State of the School address in an effort to increase transparency and to better inform our stakeholders. As current families, you have a vested interest in the present and future of St. Pius X Catholic School. Please take the time to view the following video of our State of the School Address. [State of the School Video](#) In it, I address strengths of our community, challenges we face, enrollment numbers and trends, financial aid and diocesan support, future goals and how you and all of our stakeholders can contribute to our success.

If you have any questions, please email them to school@piusxparish.org with *State of the School Question* in the subject line by February 8, 2021. We will compile the frequently asked questions and post responses to them after we review all of the questions.

Sincerely,

Mark Zafra
Principal
